how does one view christian counseling as a calling what is the role and task of the counselor from a theological perspective how does one strip away the ambiguity that is too often inherent in the words therapy and counseling in a religious setting ray s anderson has written this book as a theologian with a keen interest in helping christian counselors fulfill their task more effectively by enabling them to see that task more clearly too often even counselors who achieve effective results are beset by what anderson calls an uneasy conscience the realization that for some reason a little transactional analysis once a week works better than a month of sundays in curing the souls of troubled parishioners this book seeks to put that uneasiness and ambiguity to rest by helping counselors see their work as a means of grace rooted in a model of personhood that is both theologically and psychologically sound for realizing the full potential of each person christians who counsel has three parts involving building a foundation for christian counseling exploring the spiritual dynamics in counseling and describing counseling in a distinctly christian mode written without either theological or psychological jargon this book is for all christians who counsel whether pastors lay counselors psychotherapists or family therapists with clarity of

vision comes the power of a renewed commitment

connecting sound biblical doctrine to the practice of effective counseling jay e adams vocal advocate of a strictly biblical approach to counseling and author of the highly influential book *Competent to Counsel* firmly believes that the bible itself provides all the principles needed for understanding and engaging in holistic counseling but in order to bring the practice of counseling whether by professional therapists or by the church under biblical guidance we first have to deepen our understanding of scripture a theology of christian counseling is the connection between solid theology the study of god and its practical application each of its sections are devoted to increasing our understanding of counseling's potential by looking at it through the lens of doctrines such as prayer and the doctrine of god human sin and the doctrine of man redemption and the doctrine of salvation forgiveness and the doctrine of sanctification no counseling system that is based on some other foundation can begin to offer what christian counseling offers no matter what the problem is no matter how greatly sin has abounded the christian counselor's stance is struck by the far more abounding nature of the grace of jesus christ in redemption what a difference this makes in counseling jay e adams with this book you'll gain insight into the rich theological framework that supports and directs your approach to how you help people change

a companion and sequel volume to *Competent to Counsel* this volume includes indexes a detailed table of contents and many diagrams and forms all of which make this one of the best reference books for christian counselors

whether you are a professional counselor meeting with a troubled couple or a layperson comforting a grieving friend counseling is something you may find yourself called to do at times from his years of experience as a clinical psychologist dr timothy foster has distilled the basics of what to do and how to do it in this practical guide in addition to offering sample counseling dialogues explaining a variety of verbal and nonverbal techniques and candidly discussing how to avoid harmful entanglements foster gives advice on counseling dos and don'ts helping people who are depressed understanding how emotions work solving marital difficulties dealing with grief helping people confront themselves and much more the handbook of christian counseling is an essential reference you will want to keep on hand for easily accessible answers when others turn to you in their time of need

the christian counselor's manual is a companion and sequel to dr jay adams influential *Competent to Counsel* which first laid out a vision of nouthetic counseling a strictly biblical approach to behavioral counseling and therapy this practical guide takes the approach of nouthetic counseling introduced in the earlier volume and applies it to a wide range of issues topics and techniques in counseling including who is qualified to be a counselor how can counselees change how does the holy spirit work what role does hope play in therapy what is the function of language in a counseling session how do we ask the right questions what often lies behind depression how do we deal with anger what is schizophrenia these and hundreds more questions are answered and explained from a biblical perspective in this comprehensive resource for the christian counselor a full set of indexes a detailed table of contents and a full complement of diagrams and forms make this an outstanding reference book for any christian counselor

this substantially revised and updated edition of a widely used textbook covers the major approaches to counseling and psychotherapy from a christian perspective with hypothetical verbatim transcripts of interventions for each major approach and the latest empirical or research findings on their effectiveness the second edition covers therapies and techniques that are increasing in use reduces coverage of techniques that are waning in importance and includes a discussion of lay counseling the book presents a christian approach to counseling and psychotherapy that is christ centered biblically based and spirit filled
