respected by scholars for its currency clarity authority and rich visual and map program latin america and the caribbean lands and peoples elucidates the commonalities

in this highly diverse rapidly changing region making it more comprehensive than ever for students and instructors dr ben tillman of texas christian university joins as a co author for the sixth edition which has been meticulously updated to take in to account recent changes in the region and to emphasize environmental concerns more strongly

the first single authored comprehensive introduction to major contemporary research trends issues and debates on the anthropology of latin america and the caribbean the text provides wide and historically informed coverage of key facets of latin american and caribbean societies and their cultural and historical development as well as the roles of power and inequality cymeme howe visiting assistant professor of cornell university writes the text moves well and builds over time paying close attention to balancing both the caribbean and latin america as geographic regions spanish and non spanish speaking countries and historical and contemporary issues in the field i found the geographic breadth to be especially impressive jeffrey w mantz of california state university stanislaus notes that the contents reflect the insights of an anthropologist who knows latin america intimately and extensively

the world today series latin america offers the latest available economic demographic political and cultural information including solid statistical data expressing freedom violence and governmental orientation consideration is given to the evolving relationships with the united states and other latin american nations revisions have also addressed new historical interpretations for example of the history of mexico and latest political changes for example in venezuela and cuba maps charts and photographs provide extensive visual expressions of the region its geography peoples and cultures in particular public architecture agricultural technology specular geology and striking diversity the images offer a narrative of the multiplicity of peoples as demonstrated in their clothing economic and everyday activities their physical surroundings consequently the narrative combines global economics national politics and daily social life throughout the region the chapters can be read as individual histories for each of the countries within the context created by contrasts and similarities with the other nations of latin america

latin america and the caribbean needs an ambitious and comprehensive investment agenda to embark on a stronger and more sustainable development trajectory the 16th edition of the latin american economic outlook proposes ways to make this possible through co ordinated actions by policy makers the private sector and international partners

the music of the peoples of south and central america mexico and the caribbean has never received a comprehensive treatment in english until this multi volume work

taking a sociocultural and human centered approach music in latin america and the caribbean gathers the best scholarship from writers all over the world to cover in depth the musical legacies of indigenous peoples creoles african descendants iberian colonizers and other immigrant groups that met and mixed in the new world within a history marked by cultural encounters and dislocations music emerges as the powerful tool that negotiates identities enacts resistance performs belief and challenges received aesthetics this work more than two decades in the making was conceived as part of the universe of music a history project initiated by and developed in cooperation with the international music council with the goals of empowering latin americans and caribbeans to shape their own musical history and emphasizing the role that music plays in human life the four volumes that constitute this work are structured as parts of a single conception and gather 150 contributions by more than 100 distinguished scholars representing 36 countries volume 1 performing beliefs indigenous peoples of south america central america and mexico focuses on the inextricable relationships between worldviews and musical experience in the current practices of indigenous groups worldviews are built into among other things how music is organized and performed how musical instruments are constructed and when they are played choreographic formations the structure of songs the assignment of gender to instruments and ritual patterns two cds with 44 recorded examples illustrate the contributions to this rich volume

praise for the previous editions rare is the book in english that provides a general overview of latin america and the caribbean rarer still is the good topical and largely dispassionate book that contributes to a better understanding of the rest of the hemisphere peter winn has managed to produce both miami herald this magisterial work provides an accessible and engaging introduction to the complex tapestry of contemporary latin america and the caribbean foreign affairs a clear level headed snapshot of a region in transition winn is most interesting when he discusses the larger issues and to his credit he does this often washington post book world balanced and wide ranging after canvassing the legacies of the european conquerors winn examines issues of national identity and economic development other discussions survey internal migration the role of indigenous peoples the complexity of race relations and the treatment of women publishers weekly

between 2010 and 2025 most of the countries of latin america will commemorate two centuries of independence and latin americans have much to celebrate at this milestone most countries have enjoyed periods of sustained growth while inequality is showing modest declines and the middle class is expanding dictatorships have been left behind and all major political actors seem to have accepted the democratic process and the rule of law latin americans have entered the digital world routinely using the internet and social media these new realities in latin america call for a new introduction to its history and culture which latin america at 200 amply provides taking a reader friendly approach that focuses on the big picture and uses concrete examples phillip berryman highlights what latin americans are doing to overcome extreme poverty and underdevelopment he starts with issues facing cities then considers agriculture and farming business the environment inequality and class race and

ethnicity gender and religion his survey of latin american history leads into current issues in economics politics and governance and globalization berryman also acknowledges the ongoing challenges facing latin americans especially crime and corruption and the efforts being made to combat them based on decades of experience research and travel as well as recent studies from the world bank and other agencies latin america at 200 will be essential both as a classroom text and as an introduction for general readers

this book of collected essays by laurence whitehead an eminent scholar of latin america explores the structures and influences that bind together the region shedding light on this vast and rapidly changing culture zone

this report provides an overview of foreign direct investments fdi flows to and from latin america and the caribbean in 2007 it also examines the recent activities of transnationals in the region and of trans latins outside their home countries it further explores three topics investment in hardware for information and communications technologies ict investment in telecommunications services and canadian investment in latin america and the caribbean
